Prayer of Hell

Our Father, who art in hell, Hallowed be thy Name. Thy Kingdom come. Thy will be done on earth, As it is in hell. We take this night our rightful due and trespass not on path of pain. Lead us into temptation and deliver us from false piety. For thine is the kingdom, of power, and glory forever. We shall praise your unholy name. Satan shall emerge again!

Amen.

A Satanic Prayer for Bigots

SEDUCTIVE and lustful SATAN, infernal messenger of all that is dark and pleasing to the flesh, lure the self-righteous holy ones who remove our profane flyers away from their bigoted and hateful ways. O beautiful and wise SERPENT of Eden, tempt them with all the knowledge and pleasures of this life, so much sweeter than their bitter hatred and intolerance. Awaken in their hearts and in their loins the carnal desires for all things depraved and vile. In your name we curse all who deny others pleasure and all who would silence us. HAIL SATAN!

The Nine Satanic Statements

by Anton Szandor LaVey

- I. Satan represents indulgence instead of abstinence!
- II. Satan represents vital existence instead of spiritual pipe dreams!
- III. Satan represents undefiled wisdom instead of hypocritical self-deceit!
- IV. Satan represents kindness to those who deserve it instead of love wasted on ingrates!
- V. Satan represents vengeance instead of turning the other cheek!
- VI. Satan represents responsibility to the responsible instead of concern for psychic vampires!
- VII. Satan represents man as just another animal, sometimes better, more often worse than those that walk on all-fours, who, because of his “divine spiritual and intellectual development,” has become the most vicious animal of all!
- VIII. Satan represents all of the so-called sins, as they all lead to physical, mental, or emotional gratification!
- IX. Satan has been the best friend the Church has ever had, as He has kept it in business all these years!

Five Satanic Virtues

Selfishness

To be selfish is to ask “What’s in it for me?” Satan rejects sacrifice and martyrdom. The greater good cannot be built on self-inflicted misery. Selfless sacrifice puts us all under the pressing shadow of death. **We reject sacrifice and promote selfish indulgence.**

Laziness

To be lazy is to refuse to do what isn’t working, to stop, to do nothing until we have a better idea, to try something else. When we feel like doing something, we will. If we work too hard, we won’t stop to notice an easier way. **We reject fruitless hard work.**

Insolence

Insolence means not accepting things on authority, refusing to be humble and degraded, refusing to grovel and show respect to superiors. **We insist on dignity and freedom.**

Lustfulness

To be lustful is to embrace all the pleasures we can while we live, to follow our desires and passions wherever they lead us. **We run to the devil that tempts us to ask for more.**

Vanity

To be vain is to love and admire ourselves, to relish our own brilliance and magic, to see in ourselves what is beautiful and attractive, to build and nurture it. To be vain is to accept the forbidden fruit from the serpent in the garden. To be vain is to want to know more. **We proudly leave the narcotic fog of delusion behind us.**
